DON LONGLEY - SALE MANAGER,
16 S. Locust St., Aurora, Illinois

MALTA, ILLINOIS - FRIDAY, MARCH 25, 1949

INFORMATION FOR THE BUYER

LOCATION - This sale will be held at the Malta Sales Pavilion, Malta, Illinois. It is a comfortably heated sales barn. Malta is on the main line of the Northwestern railroad and is six miles west of DeKalb. Modern hotel facilities are available in DeKalb. If advance notice is given, we will be glad to meet breeders, at nearby points, coming by train.

TIME - The sale will be held on Friday, March 25, 1949. It will begin promptly at 12:30 p.m.

GUARANTEE - Although this is a complete dispersion the cattle will be sold with liberal guarantees. The cattle have been maintained under ideal health conditions. Calfhood vaccination has been practiced. All cattle will be tested for T.B. and Bangs within thirty days prior to the sale. Health certificates will be delivered sale day.

All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. Heifers under 16 months at the time of the sale are not guaranteed to be breeders. All other females are guaranteed to be breeders. All bulls are guaranteed to be breeders if properly cared for and not allowed to run with the herd. Notice must be given within 90 days of any female or bull that seems to be a doubtful breeder. In case an animal fails to be a breeder up to a 6 months time limit, the owner, Ilehamwood Farm, agree to refund in cash without interest the difference between the purchase price and the slaughter price. The above guarantee shall constitute a contract between Ilehamwood Farm and the buyer of each lot. Neither the Sale Manager nor the Clerk of the sale assumes any liability, legal or otherwise.

REGISTRATION - A certificate of registry and a signed transfer will be furnished for each mature animal sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

LIABILITY - We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests.

THE SALE MANAGER - Don Longley, The Shorthorn World, Aurora, Illinois was retained for the specific tasks of preparing the catalog, handling the advertising, settling the disbursement of receipts, and transferring registry.

MAIL BIDS - Those wishing to buy at this sale who cannot attend may send their bids to the sale manager; the auctioneer; C. K. Tomson, The American Shorthorn Breeders' Assn., 7 Dexter Park Ave., Chicago, Illinois; or to Merle Abrams, The Drovers Journal, Chicago, Illinois.

AUCTIONEER - J. E. Halsey, Des Moines, Iowa.

THE STORY BEHIND THIS HERD

Two years ago Mr. J. F. Ellwood, owner of beautiful Ilehamwood Farms outside of DeKalb, Illinois decided to own a top flight herd of purebred Shorthorns. He went to Wisconsin and purchased in tact the entire herd owned by William Ley, prominent Dodgeville, Wisconsin Shorthorn breeder.

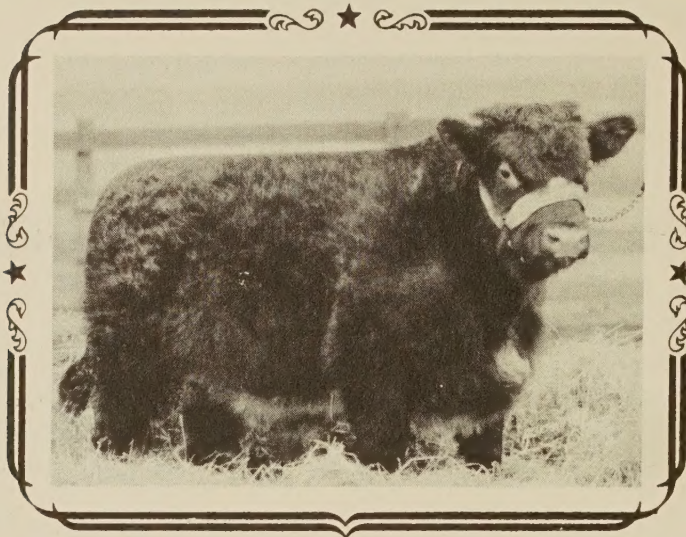

For many years the Ley herd had been one of the best in Wisconsin. Through the use of superior sires it had reached its peak of quality at the time of Mr. Ellwood's purchase. A Glance at the pedigrees in this catalog will show breeders that Mr. Ley not only used good bulls, but practiced a rigid system of culling and retaining the best females from his most dependable and prolific families. Nearly every animal represents four generations of production in the Ley herd. These cows invariably trace to the richest Scotch ancestry.

Heading the herd at the time of the purchase was Hickories Ransom 13th by Royal Ransom. This young bull was a first prize winner and a Wisconsin reserve champion at the 1946 Wisconsin State Fair. He is a beautiful red with marvelous, depth, thickness, and stands on straight short legs.

Knowing that to achieve prominence in the Shorthorn industry one must own a famous bull, Mr. Ellwood selected the sensation of 1947 show circuit Edelyn Twofold Mercury. It is safe to say, that a breeder could not sit down and write a better pedigree. 31 females are well along in calf to this bull. 11 other cows will have calves at foot by him by sale day. Not only will you have an opportunity to buy a famous bull, but you can see the calves he is producing. The female lots will grow in value every day they are on your farm.

We regret that the pressure of other business interests require Mr. Ellwood to disperse this herd. He assures us that he is still interested in producing good Shorthorns and that he plans to be a part of the Shorthorn industry again.

The old statement that a better pedigree could not be written never applied more strongly. This bull has a double infusion of the improving blood of Calrossie Mercury intermingled with Edellyn's two great cows, Coldoch Bonny Rothes, the dam of Edellyn Royal Leader and Blood Royal 13th, foundation cow of their Princess Royal family. Edwilyn Twofold Mercury was the grand champion at the Iowa State Fair in 1947 and the reserve champion at the Illinois and Indiana. He was purchased at the International Congress sale. In the last year he has settled about 45 cows and is in thin condition. If you can judge a bull in his everyday clothes, then you can buy a wonderful herd bull worth the money.

ROYAL RANSOM, one of the greatest breeding bulls in recent times. He is ably transmitting the blood of the Perth champion, Millhills Ransom. Lot 2 is his son.

One of the best sons of the great breeding bull Royal Ransom. Like all of the bulls of the Ransom line, he is solid red, beautifully fleshed, short legged and deep bodied. He was a first prize winner at the 1946 Wisconsin State Fair and was the Wisconsin reserve champion. Someone will obtain a first rate herd bull here.

THESE FEMALES WERE DEVELOPED FROM AN EXCELLENT BREEDING PROGRAM

Do you notice anything unusual about the female pedigrees in this sale?

Nearly all of the fifty six female lots in this sale descend from four or five prolific families. This in itself would not be considered unusual, but when these female families have been in only two or three hands since the time of Amos Cruickshank, it is safe to conclude that they have been prized possessions of those breeders.

For example, there are nineteen Cecilias in this herd. Study the pedigree of lot 3. Notice that J. M. Blotz, a name that is synonymous with good Shorthorns, purchased the original foundation cow from Amos Cruickshank. This family stayed in his hands and the hands of his sons for four generations and was retained thereafter by William Ley.

Such a breeding program achieves real purpose when for years the best females of a family are retained in the herd, as was the practice of Mr. Ley.

These females can produce similarly for you.

CECELIA REGENT - We had the misfortune to lose her last calf in August but she has been bred since November to Edelyn Twofold Mercury.

**ALL ARE BY THE SAME SIRE AS THE HERD
BULL HICKORIES RANSOM 13th, LOT 2**

Here are four beautiful individuals all sired by Royal Ransom, the sire of Hickories Ransom 13th. This is blood that breeds on.

RANSOM BLOOD BREEDS ON

Six cows have calves at foot by Hickories Ransom 13th, one of the best sons of the renowned Royal Ransom. There are also six choice open heifers by this good bull.

Remember . . . it has been proven time and again that whenever the blood of the Perth champion Millhills Ransom is introduced into a herd immediate improvement follows.

Pace Setters

steer herd by one sire over all breeds at the 1948 Chicago International.

To encourage owners of good Shorthorns to pick better calves for steers and to see them get into top competition with other breeds at major shows, an extra bonus of \$1,000. has been established by the American Shorthorn Breeders' Association for the exhibitor of a Shorthorn steer adjudged grand champion over all breeds at the Chicago International, Kansas City Royal, Fort Worth or Houston Fat Stock Shows, and the Denver National Western. In the case of a breeder who can't use that extra thousand dollars, there are many expert fitters and showmen among the 4-H or FFA boys and girls who would be glad for the chance to win it if the Shorthorn steer is made available to them. Remember . . . 18 calves sell at foot in this sale. What outstanding 4-H and FFA projects they would make.

This good open heifer is out of Lot 45.

Each year an impressive number of new herds are started with a first purchase of a bull and two females, a brood cow and calf, a bred female, or maybe just a young heifer. An intelligent beginner started this herd and by careful selection has brought it to this high state of bloom and economic efficiency. New breeders of registered Shorthorns have increased 100% in five years over the previous all-time figure. These females are strong topped, in the pink of condition, square, breedy-looking, smooth of flesh and full of quality, with a commanding presence. Wide, low-set females of ample scale and substance are the kind that produce calves which can take a herd on up into national recognition. Shorthorn cows make ideal mothers with ample milk to give a calf the earliest possible start to maturity. Since you sell beef by the pound, CHOOSE SHORTHORNS, BEST IN EVERY WEIGH.

Raise Your Own Calves

You take the gamble out of beef production when you raise your own calves. What's equally important is the fact that your cow herd uses farm roughages that can be marketed in no other way. Shorthorns are the most ideally suited for your farm because the Shorthorn cow produces an ample supply of milk needed to give a calf a healthy start in life and because Shorthorns have that all important weight for age.

You can select the foundation of an excellent herd in this sale.
